

We're collecting soil samples to **Update Ontario's Soil Survey Maps!**

Good decisions rely on good data! Keeping our mapping data current will support your farm management decisions. We do the sampling – you get the results.

**Can we visit your farm to collect samples?
Scan the QR code to let us know!**

You can also email us at
ontariosoilsurvey@ontario.ca
or call (226) 979-4407.
